Factory T.B. Fruit S.R.L.

SRL "BIOCĂMARA"

SRL "BIOCĂMARA" is a company founded by the Religious Community Monastery "Nașterea Domnului" in the village Zabriceni.

It is oriented towards producing a wide range of ecological products, of which the most important are mixtures of herbs and dried fruits and commercialization of poultry reared on base of natural – ecological food, honey and other certified ecologic products.

In 2016 it was initiated the process of producing herbal tea with commercial brand "Zabriceni".

The Beekeeping Centre

The beekeeping Centre from Cupcini, Edinet, was created within a pilot project for regional development, implemented by the North Regional Development Agency.

In The Center will activate an informational and marketing department, an acquisition, processing and bee product packaging department which will be equipped with modern equipment.

Expected results:

- a favorable environment for investment;
- bee products of quality;
- providing services of storage, processing and bee product packaging;
- providing the export of bee products;
- development of business environment in beekeeping domain.
